HOOKSTOWN FAIR JUNIOR MARKET LIVESTOCK RULES

General Rules

1. **The Beaver County Stockman's Club, Inc. will be the Sanctioning Body of the Junior Market Livestock Sale at the Hookstown Fair**
2. The Junior Market Livestock Show and Sale is open to boys and girls who are 7 to 21 years of age on January 1st of the year of the show and sale. (Children of age 7 are not eligible to enter a steer project) All youth must be a member of the sanctioning body of the Junior Market Livestock Show and Sale. **Youth belonging to 4-H clubs or FFA Chapters must abide by their respective organizations rules regarding age and eligibility.**
3. To be eligible for the Junior Market Livestock Sale; all animals must be entered in the Hookstown Fair and shown in the appropriate market livestock class, as determined by the final weigh-in and meet all the requirements of the sanctioning body of the Junior Market Livestock Sale. All animals must carry Official Program Identification as outlined by the sanctioning body.
4. All Junior Market Livestock Show animals must meet weight requirements as outlined by the sanctioning body. Animals that do not meet the weight restrictions must be taken home immediately after weigh-in.
5. Animals that do not show in the appropriate classes as listed within the Hookstown Fair Open Junior Market Livestock class listing will not be eligible to sell in the Junior Market Livestock Sale.
6. The care of each animal, including feeding, watering, cleaning up the animal and animal's area will be the responsibility of the owner of the animal until the animal is shipped for harvest.
7. Each animal will be shown/sold by its owner. If the owner is unable to present the animal for show/sale for a legitimate reason, another junior exhibitor may be designated to show/sell the animal. This substitution must be approved by the show/sale committee.
8. Each junior will be limited to entering, showing and selling four (4) projects in the Hookstown Fair Junior Market Livestock show and sale.
9. Species eligible for the Junior Market Livestock show and sale:
   Farmyard: Steers, Hogs, Lambs, and Meat Goats
   Backyard: Meat Rabbits, Meat Chickens and Turkey
10. A project is defined as a Steer, two (2) Hogs, two (2) Lambs, two (2) Meat Goats, a Pen of three (3) Meat Rabbits, 1 Turkey and a pen of three (3) Meat Chickens.
11. These four (4) Junior Livestock projects are limited to:
    Three (3) Farmyard projects and one (1) Backyard project
    Two (2) Farmyard projects and two (2) Backyard projects
    One (1) Farmyard project and three (3) Backyard projects

A maximum of two (2) projects per any one (1) species

12. Each junior is required to assist with promotional, show and sale related activities as designated by the show/sale committee.
13. At the Hookstown Fair all fitting of the projects must be done by the junior owning the project, an immediate family member or a leader of the junior's respective club.
14. Only the junior exhibitor with their projects will be permitted in the ring while the show is in progress. It is strongly recommended that no coaching be given from outside the ring as this tends to distract the junior exhibitor and the ring crew. This also helps the junior exhibitor to focus on the judge and the judge's instructions and questions. Exception: If the judge asks for assistance due to circumstances. (ex. Lift turkey)
15. Juniors exhibiting market livestock are required to help setup and clean up the area where their projects are to be housed, shown and sold during the Hookstown Fair. Failure to have representation during setup and cleanup will result in a $50.00 deduction from your Junior Market Livestock Sale check. This decision will be at the discretion of the show/sale committee.
16. The show/sale committee shall be comprised of the following: Leader of participating 4-H clubs or leaders of participating open market livestock clubs. These leaders shall have all qualifying state clearances to work with minors as required by their respective club/organization. The number of members on the committee from each participating club shall be proportionate to the number of livestock projects each club has showing and selling at the Hookstown Fair. This shall be limited to one (1) committee member per up to twenty (20) livestock projects. (Ex. 5 livestock projects – 1 show/sale committee member; 21 livestock projects – 2 show/sale committee members.)
17. The Hookstown Fair Junior Market Livestock Rules shall be reviewed in a meeting held in the month of September. Representatives from each participating club will be allowed to have representation present during the meeting. Suggestions will be accepted and discussed during this meeting for improvement to the rules for the next year.
18. Final weigh-in date for all projects will be held on Monday of the Hookstown Fair. The weigh-in time to be announced.
19. By entering all youth agree to follow all health requirements set forth by the Hookstown Fair Board and the Commonwealth of Pennsylvania.

Beef/Sheep/Swine/Goats

1. The animal(s) must be under the ownership and the care of the club member as follows:
   a. Beef Cattle – Only beef breed steer calves will be accepted. It is recommended that steers for the show be born between January and May preceding the current project year. Weigh-in date is Saturday before Thanksgiving. Weigh-in weight must not exceed 900 pounds. Suggested weight range is 400 – 750 pounds. Weigh-in time is 8 AM – 10 AM

b. Swine – Barrows and Gilts. Weigh-in date is the first Saturday in May from 8 AM – 10 AM. Weigh-in weight must not exceed 100 pounds. Suggested weight range is 40 – 85 pounds.
c. Lambs – Wethers or Ewes. Weigh-in date is the first Saturday in May from 8 AM – 10 AM. Weigh-in weight must not exceed 90 pounds. Suggested weight range is 45 – 85 pounds. All lambs must have a scrapie ID prior to weigh-in. If a scrapie tag is lost the member must contact the breeder.
d. Goats – Wethers (Meat goat breeds only). Weigh-in date is the first Saturday in May from 8 AM – 10 AM. Weigh-in weight must not exceed 60 pounds. Suggested weight range is 40 – 50 pounds. All goats must have a scrapie ID prior to weigh-in. If the scrapie tag is lost the member must contact the breeder. Goats must be born after January 1st preceding the current project year.

2. All animals will be tagged at weigh-in with an 840 US coded official EID tag along with a sequential visual tag denoting the program.
3. Weigh-in/tagging will be at the Hookstown Fair Grounds.
4. All animals must be castrated (for Males), Steers have to be dehorned, and/or disbudded prior to weigh-in/tagging date.
5. All steers must be halter broke before weigh-in. They must be able to led across weigh scales.
6. To be eligible to show and sell at the Hookstown Fair the minimum and Maximum weight are;

   Steers…….950 – 1500 lbs. Lambs……..90 – 160 lbs.
   Swine……..200 – 310 lbs. Goats…….60 – 125 lbs.
   Rabbits…12-25 lbs. Chickens……20-40 lbs. Turkeys…….18- 55 lbs.

7. All lambs must be slick shorn before August weigh – in at the fair.
8. All goats must be shaved before August weigh – in at the fair.
9. **All animals must be marketable quality as determined by the show/sale committee.**

Meat Rabbits

1. Rabbits to be entered in a meat pen must be owned and raised by the youth entering the project.
2. Only the following commercial breeds will be accepted: New Zealand and Californian or New Zealand, Californian crossed.
3. Meat pens must consist of three (3) rabbits of the same breed and variety. Rabbits may be different sexes.
4. Does and breeding buck(s) of litters to be verified for meat pens must be designated projects animals owned by the youth entering the pen. Rabbit project designation forms, including ear tattoo numbers, identifying does and bucks bred for the production

of meat pen litters must be submitted to the youth's respective club by the close of business on May 1st of the current year.

5. Meat pen entries must be at least 8 weeks (56 days) of age, but not more than 12 weeks (84 days) of age by opening day for the Hookstown Fair.
6. Meat pens entries must weigh more than **12 pounds** and not more than **25 pounds** on weigh-in date at the Hookstown Fair.
7. Individual rabbits do not have to be litter mates, but must be from verified, approved litters. Litter verification must take place within two (2) weeks of birth. Litter verification **must be** made by a leader of the youth's respective club.
8. Litter verification sheets must accompany each entry. Entries will not be accepted without approved paper work.
9. Entries showing signs of illness or disease at weigh-in will not be accepted. They must be removed from the grounds.

Poultry Projects

1. A pen of meat chicks shall consist of three (3) broiler hens.
2. A turkey project exhibit is one tom turkey.
3. All meat pen chicks and turkeys shown at the Hookstown Fair must be from the same chick pool or turkey pool.
   a. Chick pool female chicks will be from a certified hatchery. Chicks will be ordered for each designated poultry member/family approximately 10 – 12 weeks prior to weigh-in day at the fair**, by the Sanctioning Body of the Junior Market Livestock Sale at the Hookstown Fair**
   b. Tom Turkeys will be from a certified hatchery. Tom Turkeys will be ordered for each designated poultry project member/family approximately 18 – 20 weeks prior to weigh-in day at the fair, **by the Sanctioning Body of the Junior Market Livestock Sale at the Hookstown Fair**
4. A pen of chickens must weigh a minimum of 20 pounds and a maximum of 40 pounds each at weigh-in. Turkeys must weigh a minimum of eighteen (18) and a maximum of fifty five (55) pounds at weigh-in. Any birds not meeting these weight requirements will not be penned and must be removed from the fairgrounds.
5. Poultry project ordered forms will be shared with members signed up for poultry projects.
6. All birds will be banded for identification when bled before fair.
7. All poultry projects must be clean, healthy and free from any deformities for these may be grounds for disqualification.
8. Each member will be responsible for fitting and exhibiting birds. Owners must care for their own birds during the week of the fair.

9. Feed, feeders and waters will be supplied by the owners for their birds during the week of the fair.

Sale

1. The Beaver County Stockman's Club, Inc. will be the Sanctioning Body of the Junior Market Livestock Sale at the Hookstown Fair.
2. All youth wishing to **sell animals through** the Junior Market Livestock Sale at the Hookstown Fair must be a member or associate member of the Sanctioning body.
3. **An Associate membership Form and Fee must be filled out and paid when animals are unloaded at the Hookstown Fair Grounds.**
   Associate Member Fee's are $75.00 across the board.

Pen Fee- Steer	**$50.00**
Pen Fee- Hogs	**$25.00**
Pen Fee- Lambs	**$25.00**

Pen Fee- Turkeys	**$15.00**
Pen Fee- Chickens	**$10.00**
Pen Fee- Rabbits	**$10.00**

   Pen Fee's will be deducted out of the members check.

4. A three percent (3%) deduction will be taken from each project sold to cover Sale expenses. **Also Lamb, Hog, and Beef checkoff will be deducted.**
5. All youth by entering a project in the Junior Market Livestock Show and Sale, agree to abide by all rules set forth by the sanctioning body of the Junior Market Livestock Show and Sale, and the Hookstown Fair Board.
6. By entering a project, all youth agree to follow all health requirements set forth by the Hookstown Fair Board and the Commonwealth of Pennsylvania.
7. **ALL ANIMALS IN THE JUNIOR MARTEKT LIVESTOCK SHOW & SALE ARE ALL TERMINAL ANIMALS.**

DEPARTMENT 5 — SWINE

RULES & REGULATIONS

1. A pen fee of $5 per head is required with registration. No refunds for no show swine exhibits. If an animal to be exhibited becomes sick a refund may be granted if a slip is obtained from a vet.
2. Swine must be pre-registered by July 15. Swine are to arrive on Sunday, Aug. 22 between 10 a.m. and 1 p.m. They must remain on exhibit until released at 10:30 p.m., Saturday, Aug. 28. Weigh in will be Monday, Aug 23 at 8 a.m.
3. **Exhibitors must read and refer to the Open Youth Market Animal General Rules. Rules 7 through 11 list the limits of market animal projects to be shown and sold. Entries may be limited due to space availability**.
4. NO drenching, pumping or force feeding of liquids will be tolerated except administered by a licensed veterinarian. Violators will be disqualified.
5. Show management will observe the handling of animals both in and out of the show ring and will have the authority to disqualify any exhibitor for unethical practices.
6. All Open Youth Market Animals are deemed terminal upon exhibition at the fair. Any animal consigned for slaughter shall not receive any injection or oral administration of drugs, biologics, etc., less than 21 days prior to the opening date of the fair. If upon slaughter, a recent injection administration is the cause of condemnation of a carcass, the loss of the carcass will be borne by the exhibitor.

Swine Health Rules and Requirements

All animals showing clinical signs of contagious, infectious, or parasitic diseases will not be admitted to any show or other fair event.

All drug and vaccine labels directions must be followed, including but not limited to milk and slaughter withdrawal periods. The vaccine must be administered at least 15 days prior to entry into the fair.

All market swine exhibited shall move directly to slaughter following the exhibition and may not be diverted to premises other than a recognized slaughter establishment or slaughter market.

Requirements for non-department sponsored shows and events, the role of swine health monitors and veterinarians, holding breeding shows within a 72-hour window and moving breeding swine out before any market swine arrive. A radiofrequency identification tag will be required for all shows and events. The department sponsored market shows will still have to be terminal and be moved directly to slaughter or to a slaughter market in which sales are designated slaughter only sales. The 14-day health paper (CVI) requirement (swine only) remains unchanged.

Pennsylvania Swine Requirements:

Beginning January 1, 2021, no swine species shall be exhibited in Pennsylvania unless each animal:

1. Is accompanied by a Certificate of Veterinary Inspection (CVI) issued within 14 days of the fair.

2. Is permanently identified by an official 840 series radio frequency identification (RFID) ear tag and the ear tag number is recorded on the CVI.

3. Has been visually inspected and found to be free of signs of contagious disease immediately prior to unloading at the exhibition by an accredited veterinarian or swine health monitor appointed by the fair board or livestock show committee.

4. All breeding swine exhibitions are to occur prior to the arrival of any market swine:
   a. Breeding swine must be removed from the animal exhibition premises prior to any market swine arriving.
   b. Breeding swine animal exhibitions shall arrive, exhibit, and depart in a period no greater than 72 hours.
   c. Swine birthing exhibitions and educational displays which are not competing may occur concurrently with market swine animal exhibition, as long as, reasonable precaution is made to ensure the biosecurity of the swine birthing exhibition or educational display.

5. All Market swine exhibited in Department sponsored Market shows shall move directly to a PDA or USDA licensed slaughter facility following the animal exhibition and may not be diverted to premises other than a recognized slaughter establishment or a slaughter market in which the sales are designated slaughter only sales.

6. Non- PDA sponsored shows including jackpot shows and 4-H round-ups, not occurring during a PDA sponsored fair or show are exempt from the terminal slaughter requirement only if the following conditions are adhered to:
   a. As is stated above, the swine shall be accompanied by a certificate of veterinary inspection issued within 14 days of the exhibition and shall be permanently identified by an 840 series radio frequency (RFID) identification ear tag.
   b. Arrival, exhibition and departure of the swine occur within a 72-hour window.
   c. There is no public access to the animals other than observation during competitions.
   d. An Accredited Veterinarian or trained swine health monitor visually inspects the animals prior to unloading, and they are found to be free of signs of contagious disease.
   e. An accredited Veterinarian or trained swine health monitor shall monitor and record the health of the pigs daily for signs of contagious disease and the accredited Veterinarian shall immediately report all suspicious disease to the State Animal Health Official

Out of State Swine Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued within the 14 days prior to the date of the show is required. The CVI shall include a statement verifying that the swine have not been feed raw garbage.

2. Vesicular Stomatitis (VS) statement: This applies to states that experienced a VS outbreak in the last 12 months. In these cases an accredited veterinarian shall determine whether the animals are free from VS, and animals shall be accompanied by a CVI with the following statement signed by the accredited veterinarian: “All animals identified on this CVI have been examined and found to be free from VS. During the past 90 days, these animals were not located within 10 miles of a site where VS has been diagnosed.”

3. All animals must be free of evidence of infectious and contagious diseases and a statement of this is required on the CVI.

4. Has been visually inspected and found to be free of signs of contagious disease immediately prior to unloading at the exhibition by an accredited veterinarian or swine health monitor appointed by the fair board or livestock show committee.

5. Individual animal ID – must be permanently identified by an official 840 series radio frequency identification (RFID) ear tag and the ear tag number is recorded on the CVI.

6. Brucellosis Testing Requirements:
   - No test required if the animal originates from a validated brucellosis-free state or brucellosis-free herd. All others must be tested negative within the 30 days prior to the date of importation.

7. Pseudorabies Testing Requirements:
   - Sexually intact swine over 6 months of age shall originate qualified PRV negative herd or be test negative to an official pseudorabies test within 30 days prior to importation.
   - No pseudorabies testing is required for all other swine.

8. All breeding swine exhibitions are to occur prior to the arrival of any market swine:
   a. Breeding swine must be removed from the animal exhibition premises prior to any market swine arriving.
   b. Breeding swine animal exhibitions shall arrive, exhibit, and depart in a period no greater than 72 hours.

c. Swine birthing exhibitions and educational displays which are not competing may occur concurrently with market swine animal exhibition, as long as, reasonable precaution is made to ensure the biosecurity of the swine birthing exhibition or educational display

9. All Market swine exhibited in Department sponsored Market shows shall move directly to a PDA or USDA licensed slaughter facility following the animal exhibition and may not be diverted to premises other than a recognized slaughter establishment or a slaughter market in which the sales are designated slaughter only sales.

10. Non- PDA sponsored shows including jackpot shows and 4-H round-ups not occurring during a PDA sponsored fair or show are exempt from the terminal slaughter requirement only if the following conditions are adhered to:

    a. As is stated above, the swine shall be accompanied by a certificate of veterinary inspection issued within 14 days of the exhibition and shall be permanently identified by an 840 series radio frequency (RFID) identification ear tag.
    b. Arrival, exhibition and departure of the swine occur within a 72-hour window.
    c. There is no public access to the animals other than observation during competitions.
    d. An Accredited Veterinarian or trained swine health monitor visually inspects the animals prior to unloading, and they are found to be free of signs of contagious disease.
    e. An accredited Veterinarian or trained swine health monitor shall monitor and record the health of the pigs daily for signs of contagious disease and the accredited Veterinarian shall immediately report all suspicious disease to the State Animal Health Official.
    f. A Veterinary-client-patient-relationship is established between the show committee/management staff and an accredited Veterinarian, and that Veterinarian is readily available for health monitoring, emergency coverage, treatment, follow up evaluation, and prompt reporting of suspicious disease to the State Animal Health Official.
